Barangay Nurse/Midwife, and the CSWD 4Ps City Links shall conduct community education in coordination with the CENRO. In addition thereto, they shall have the following specific functions:

- 1) To motivate parents to seek early medical care for their sick children to prevent a serious outcome.
- 2) To raise the level of awareness of the dangers of the disease.
- 3) To challenge the community to take active role in prevention and control.
- 4) To disseminate information that is simple, easy to understand and clearly illustrated.
- 5) To outline benefits resulting from participation in community control activities.
- 6) To coordinate with the City Links in the dissemination of information during Family Development Session (FDS).

#### **SECTION 11. CREATION OF THE SCHOOL ANTI-MOSQUITO-BORNE DISEASES TASK FORCE.**

The School Anti-Mosquito-borne Diseases Task Force is hereby created hereinafter referred to as the "SAMDTF", which shall primarily support the City Government of Dasmariñas in its effort to fight Dengue, Chikungunya, Zika and Japanese Encephalitis.
